

**SVEUČILIŠTE U SPLITU
FILOZOFSKI FAKULTET**

**PRAVILNIK O SVEUČILIŠNOM PRIJEDIPLOMSKOM I DIPLOMSKOM
STUDIJU PSYCHOLOGY**

Split, srpanj, 2024. godine

Na temelju članka 19. stavka 3. Zakona o visokom obrazovanju i znanstvenoj djelatnosti (NN, 119/22.) te članka 54., 120. i 121. Statuta Filozofskog fakulteta u Splitu (pročišćeni tekst, listopad, 2023.), Fakultetsko vijeće je na 10. redovitoj sjednici Fakultetskog vijeća u akad. god. 2023./2024., održanoj dana 17. srpnja 2024. godine, donijelo

PRAVILNIK O SVEUČILIŠNOM PRIJEDIPLOMSKOM I DIPLOMSKOM STUDIJU PSYCHOLOGY

OPĆE ODREDBE

Članak 1.

(1) Ovim se Pravilnikom o sveučilišnom prijediplomskom i diplomskom studiju Psychology (dalje: Pravilnik) uređuju organizacija, specifična pravila studiranja i provedbe nastavnog procesa te prava i obveze nastavnika, suradnika i studenata sveučilišnog prijediplomskog studija Psychology i sveučilišnog diplomskog studija Psychology (u daljnjem tekstu: studiji psihologije) na Filozofskom fakultetu u Splitu.

(2) Opća pravila izvedbe nastave i vođenja studija, upravljanja kvalitetom nastave i ostalih pitanja propisana su Statutom Filozofskog fakulteta u Splitu i Pravilnikom o studijima i sustavu studiranja na Sveučilištu u Splitu.

Članak 2.

Izrazi koji se koriste u ovom Pravilniku, kao što su: dekan, student, prvostupnik, magistar, mentor, član i sl., ne može se ni u kojem smislu tumačiti kao osnova za spolnu/rodnu diskriminaciju ili privilegiranje.

Članak 3.

(1) Filozofski fakultet u Splitu (u daljnjem tekstu: Fakultet), u svrhu podupiranja internacionalizacije kao jednog od svojih strateških ciljeva, ustrojava i izvodi sveučilišne studije na engleskom jeziku koji osposobljavaju studente za znanstvenu, stručnu i istraživačku djelatnost te ih pripremaju za znanstveni rad u polju psihologije.

(2) Sveučilišni prijediplomski sveučilišni studij Psychology traje tri akademske godine i završetkom studija stječe se najmanje 180 ECTS-a i akademski naziv **sveučilišni/a prvostupnik (baccalaureus) psihologije (kratica univ. bacc. psych.)**.

(3) Sveučilišni diplomski studij Psychology traje dvije akademske godine i završetkom studija stječe se najmanje 120 ECTS-a i akademski naziv **sveučilišni magistar psihologije (kratica univ. mag. psych.)**

(4) Studiji psihologije ustrojeni su kao samofinancirajući studiji, a nastava se izvodi na engleskom jeziku, na klasičan način, a prema usvojenom studijskom programu i izvedbenom planu nastave.

(5) Odsjek za psihologiju kao temeljna ustrojbeno jedinica Fakulteta zadužena je za izvedbu studija psihologije, a u njihovoj realizaciji pored nastavnika i suradnika Fakulteta i Sveučilišta u Splitu sudjeluju gostujući nastavnici i suradnici s uvaženih tuzemnih i inozemnih sveučilišta i institucija.

VODITELJSTVO STUDIJA PSIHLOGIJE

Članak 4.

(1) Studijima psihologije neposredno upravlja voditelj studija

(2) Voditelj studija poslove za koje je zadužen, sukladno općim aktima Fakulteta, obavlja uz pomoć pročelnika Odsjeka za psihologiju kao ustrojbene jedinice Fakulteta zadužene za izvedbu studija psihologije te administrativnu i stručnu pomoć zaposlenika stručnih službi Fakulteta.

(3) Voditelj studija psihologije ima sljedeće obveze za potrebe realizacije studija:

- predlagati Vijeću Odsjeka za psihologiju pravila za upis u I. godinu za svaku akademsku godinu;
- organizirati i nadzirati provedbu razredbenog postupka za upis u I. godinu;
- organizirati odvijanje nastave tijekom akademske godine prema studijskom programu i važećim propisima Fakulteta;
- predložiti Vijeću Odsjeka za psihologiju imenovanje mentora studentima;
- surađivati s pročelnikom Odsjeka, Upravom i stručnim službama Fakulteta u pitanjima organizacije i administrativnim poslovima vezanima uz studije;
- informirati studente i nastavnike o svim pitanjima vezanima za organizaciju i izvedbu studija;
- sudjelovati u rješavanju zamolbi studenata;
- u suradnji s pročelnikom Odsjeka i prodekanom za nastavu i studentska pitanja izrađivati prijedloge Izvedbenog plana za svaku akademsku godinu;
- izrađivati raspored ispita;
- u suradnji s Povjerenstvom za nastavu Fakulteta nadzirati izvođenje svih izravnih i neizravnih oblika nastave;
- organizirati i planirati promotivne aktivnosti studija;
- surađivati sa svim nastavnicima i vanjskim suradnicima u svrhu osiguravanja kvalitete izvedbe studija;
- u suradnji sa pročelnikom Odsjeka izrađivati i podnositi Upravi Fakulteta redovite godišnje izvještaje o provedbi studija koji sadrže relevantne financijske parametre.

(4) Voditelj studija ima pravo od stručnih službi Fakulteta dobiti sve potrebne informacije o upisanim studentima kao i sve druge relevantne informacije potrebne za organizaciju i realizaciju studija

(5) Voditelj studija za svoj rad na organizacijskim aktivnostima u svrhu realizacije studija ima pravo na dodatnu novčanu naknadu u skladu s Pravilnikom o raspodjeli vlastitih i namjenskih sredstava Fakulteta.

IZVEDBENI PLAN

Članak 5.

(1) Izvedbeni plan nastave (red predavanja) studija psihologije za svaku pojedinu akademsku godinu, na prijedlog Odsjeka za psihologiju, usvaja se na Fakultetskom vijeću, u pravilu, u srpnju prethodne akademske godine i objavljuje na službenim mrežnim stranicama Fakulteta najkasnije tjedan dana prije početka nastave u akademskoj godini za koju je donesen. Iznimno se, zbog opravdanih razloga, promjena izvedbenog plana nastave može obaviti i tijekom akademske godine.

(2) Nastava iz teorijskih i metodoloških kolegija kao i kolegija iz drugih znanstvenih disciplina može se izvoditi turnusno ili kontinuirano tijekom semestra, na tjednoj osnovi.

(3) U izvanrednim okolnostima radi zaštite sigurnosti i zdravlja ljudi ili drugog opravdanog razloga svi oblici nastavnog procesa u izvedbi studija psihologije mogu se, uz odobrenje Senata

Sveučilišta u Splitu, privremeno, uslijed i za vrijeme trajanja takvih okolnosti, realizirati u virtualnom okruženju korištenjem dostupnih informatičkih tehnologija. Takva realizacija nastave smatra se zamjenskim oblikom redovite nastave, a ne ostvarivanjem studija po principu on line studija.

UPIS

Članak 6.

(1) Upisi u I. godinu studija psihologije provodi se na temelju natječaja za upis koji objavljuje Sveučilište i Fakultet, a u sklopu upisne kvote koju utvrđuje Fakultet.

(2) Na sveučilišni prijediplomski studij Psychology se mogu upisati hrvatski i strani državljani: sa završenim srednjoškolskim obrazovanjem i položenim završnim ispitom (državnom maturom); pristupnici sa završenim srednjoškolskim obrazovanjem u Republici Hrvatskoj prije 2010. godine; pristupnici sa završenim srednjoškolskim obrazovanjem u obrazovnom sustavu u kojem ne postoji državna matura (ukupno trajanje prethodnog obrazovanja mora biti najmanje 12 godina), koji dobro poznaju engleski jezik te koji su postigli odgovarajući uspjeh u razredbenom postupku.

(3) Na sveučilišni diplomski studij Psychology mogu se upisati hrvatski i strani državljani koji su završili sveučilišni prijediplomski studij psihologije, koji dobro poznaju engleski jezik te koji su postigli odgovarajući uspjeh u razredbenom postupku.

(4) Pristupnici za upis na studije psihologije koji nisu izvorni govornici engleskog jezika niti su završili srednjoškolsko ili visokoškolsko obrazovanje u obrazovnom sustavu engleskog govornog područja dužni su priložiti dokaz o jezičnim kompetencijama iz engleskog jezika na B2 razini potvrda škole stranih jezika izdana na memorandumu škole s potpisom i pečatom ili verificirani međunarodni certifikati Cambridge, TOEFL, IELTS, PTE Academic).

(5) Informacije o razredbenom postupku za upis na studije psihologije objavljuju se u sklopu Natječaja za upis i posebnih obavijesti javno objavljenih na mrežnim stranicama Fakulteta.

(6) Ako broj pristupnika koji su ispunili uvjete za upis prelazi ukupan broj slobodnih upisnih mjesta (kvotu) pravo na upis imaju oni pristupnici koji su u razredbenom postupku ostvarili bolje rezultate.

STATUS STUDENTA

Članak 7.

(1) Status studenta stječe se upisom na studije psihologije.

(2) Redoviti studenti studiraju prema studijskom programu koji se temelji na punoj satnici, a student u izvanrednom statusu u sklopu pune ili prilagođene satnice.

(3) Student ima pravo najviše jednom ponavljati svaku godinu studija.

(4) Status studenta ima student za vrijeme propisanog trajanja studija, a najviše za vrijeme koje je dvostruko dulje od propisanog trajanja studija, neovisno o statusu u kojem studira. U vrijeme trajanja studija ne uračunava se vrijeme mirovanja obveza studenta.

(5) Prava iz studentskog standarda studenti studija psihologije stječu pod uvjetima i na način kako je to uređeno propisima koji reguliraju prava iz studentskog standarda.

PRAVA I OBVEZE STUDENTA

Članak 8.

(1) Studenti studija psihologije su dužni:

1. poštovati opće akte Sveučilišta u Splitu i Fakulteta;

2. čuvati ugled i dostojanstvo Sveučilišta u Splitu i Fakulteta, studenata, nastavnika i drugih pripadnika akademske zajednice;

3. ponašati se sukladno Etičkom kodeksu Fakulteta i Pravilniku o stegovnoj odgovornosti studenata Fakulteta.

(2) Prava i obveze studenata psihologije su:

- uredno pohađati nastavu i izvršavati sve obveze utvrđene studijskim programom i izvedbenim planom studija te općim i pojedinačnim aktima Fakulteta i Sveučilišta u Splitu,
- upisati višu godinu studija ako su ispunili sve obveze utvrđene studijskim programom i izvedbenim planom;
- polagati ispite na način i u rokovima kako je to utvrđeno općim i pojedinačnim aktima Fakulteta;
- dovršiti studij prema pravilima upisanog programa u propisanim rokovima;
- biti upoznati s načinom ocjenjivanja za sve vrste provjere usvojenih znanja, vještina i kompetencije te o načinu formiranja konačne ocjene.

(3) Studenti studija psihologije također imaju pravo na:

- kvalitetan studij i obrazovni proces prema upisanom studijskom programu;
- studenta mentora koji im se dodjeljuje na početku prvog semestra u svrhu kontinuiranog praćenja njegovog napretka;
- slobodu mišljenja i iskazivanja stavova relevantnih za obrazovni proces i status studenta,
- sudjelovanje u znanstvenim i stručnim projektima sukladno svojim mogućnostima i potrebama Fakulteta;
- imenovanje za demonstratora;
- predlaganje mentora završnog i diplomskog rada;
- redovite konzultacije;
- polaganje ispita na alternativan način ako njihovo psihofizičko stanje to zahtijeva, a o čemu odlučuje Vijeće Odsjeka;
- sudjelovanje u mobilnosti putem programa Erasmus+ kao i drugih programa studentske mobilnosti;
- korištenje knjižnicom, Centrom za savjetovanje studenata, Centrom za upravljanje i razvoj karijera kao i drugim resursima kojima raspolaže Fakultet;
- sudjelovanje u odlučivanju u tijelima Fakulteta i Sveučilišta u Splitu te u radu svih odbora i povjerenstava, a sve sukladno Statutu i drugim općim aktima;
- sudjelovanje u organiziranim sportskim i kulturnim aktivnosti Fakulteta i Sveučilišta u Splitu s ciljem skladnog individualnog psihofizičkog razvitka;
- sudjelovanje u radu studentskih organizacija Fakulteta i Sveučilišta u Splitu, sukladno njihovim pravilima;
- nagrađivanje za svoj rad te nastavna i izvannastavna postignuća sukladno općim propisima Fakulteta i Sveučilišta u Splitu
- druga prava i obveze utvrđene zakonom i općim aktima Sveučilišta i Fakulteta

(4) Pravo na mirovanje studentskih obveza studenti studija psihologije ostvaruju:

- za vrijeme trudnoće;
- za studenta oca ili studenticu majku do godine dana starosti djeteta;
- za vrijeme nesposobnosti za rad dulje od tri mjeseca (dulja bolest);
- u drugim opravdanim slučajevima tako dugo dok okolnosti zbog kojih je odobreno mirovanje postoje.

(5) Rješenje o mirovanju studentskih prava i obveza, na temelju zahtjeva podnesenog putem pisarnice Fakulteta i uz priloženu dokumentaciju kojom se dokazuje opravdanost zahtjeva, donosi se na prijedlog voditelja studija.

(6) Odobreno mirovanje, proizvodi učinke od početka akademske godine za koju je zahtjev podnesen, a zahtjev se mora podnijeti u roku od 15 dana od dana saznanja za okolnosti temeljem kojih se traži mirovanje, do dana završetka dugotrajne spriječenosti.

(7) Studentu se produljuje rok za završetak studija za onoliko vremena koliko je trajalo mirovanje prava i obveza.

MENTOR STUDENTA

Članak 9.

(1) Na početku prvog semestra, svakom studentu se na Vijeću Odsjeka za psihologiju imenuje mentor iz reda studenata s viših godina studija psihologije (u daljnjem tekstu: mentor studenta).

(2) Mentor studenta ima obvezu:

- upoznati studente s organizacijom Fakulteta, fakultetskim službama, etičkim kodeksom i drugim propisima Fakulteta koja su od značaja za studente te sa svojom ulogom kao mentora;
- informirati studente o svim aktualnostima vezanim uz nastavne i studentske aktivnosti (pružanje informacija o njihovim pravima i obvezama tijekom studija, o studijskom programu i njegovim eventualnim izmjenama, o dostupnim stipendijama i sl.);
- razgovarati sa studentima o njihovim eventualnim poteškoćama u izvršavanju studentskih obveza i savjetovati ih kako te poteškoće savladati te ih savjetovati u drugim pitanjima vezanima za studij, uvažavajući njihove sposobnosti i sklonosti, a sve u svrhu poboljšanja efikasnosti i uspješnosti studiranja (pomoć u odabiru korištenja izvora, načinu učenja, odabiru izbornih kolegija i sl.).

ISPITI

Članak 10.

(1) Razina ostvarenosti ishoda učenja može se provjeravati i ocjenjivati tijekom nastave (kolokviji, testovi, eseji i sl.), a konačna se ocjena utvrđuje na ispitu, sukladno opisom vrednovanja u silabu kolegija.

(2) Uspjeh studenta na ispitu i drugim provjerama, izražava se sljedećim ocjenama: ishodi učenja ostvareni izvanrednim uspjehom ocjenjuju se ocjenom izvrstan (5), koja odgovara slovnoj ocjeni A. Ishodi učenja ostvareni natprosječnim uspjehom ocjenjuju se ocjenom vrlo dobar (4), koja odgovara slovnoj ocjeni B. Ishodi učenja ostvareni prosječnim uspjehom ocjenjuju se ocjenom dobar (3), koja odgovara slovnoj ocjeni C. Ishodi učenja ostvareni zadovoljavajućim uspjehom ocjenjuju se ocjenom dovoljan (2), koja odgovara slovnoj ocjeni D. Ishodi učenja koji nisu ostvareni zadovoljavajućim uspjehom ocjenjuju se ocjenom nedovoljan (1), koja odgovara slovnoj ocjeni F.

(3) Ispit se iz istog kolegija može polagati najviše četiri puta. Ako student u akademskoj godini u kojoj je upisao kolegij ne položi ispit, obavezan je u idućoj akademskoj godini ponovno upisati i odslušati kolegij koji nije položio.

(4) Izvedbenim planom može se utvrditi da se neki oblici provjere znanja vrednuju opisno: položio/nije položio.

(5) Nastavnik ili suradnik koji izvodi nastavu iz kolegija ima pravo provjeravati i ocjenjivati znanje studenata u svakom obliku nastave.

(6) Nastavnici ili suradnici koji izvode nastavu iz kolegija su dužni studentima objasniti i javno objaviti način provedbe ispita.

(7) Srednja ocjena studija računa se kao prosjek ocjena iz svih kolegija, uključujući i završni rad/ispit, ponderiran s obzirom na ECTS-e, a konačni rezultat zaokružuje se na dvije decimale.

Članak 11.

- (1) Ispit se polaže kod nastavnika određenog izvedbenim planom ili kod nastavnika kojima je odlukom Fakultetskog vijeća, odobreno održavanje ispita iz određenog kolegija.
- (2) Ispitivač se mora izuzeti od ispitivanja ako je sa studentom koji pristupa polaganju ispita srodnik po krvi u pravoj liniji ili bračni drug.

Članak 12.

- (1) Ispiti su javni. Student ima pravo na uvid u ispravak svog pismenog rada u roku od pet dana od dana objave rezultata.
- (2) Ispiti se polažu samo usmeno ili samo pismeno ili i pismeno i usmeno.
- (3) U slučaju provedbe ispita u usmenom i pismenom obliku, student ne može pristupiti usmenom dijelu ispita ako nije zadovoljio na pisanom dijelu ispita.
- (4) Pismeni i usmeni dio ispita čine cjelinu i ocjenjuju se jedinstvenom ocjenom.

Članak 13.

- (1) Student koji nije zadovoljan postignutom ocjenom jer smatra da su postojale nepravilnosti u ispitivanju i ocjenjivanju, može u roku od 24 sata nakon priopćenja ocjene, u obrazloženom zahtjevu, putem službene pisarnice, tražiti od dekana da mu omogući ponovno polaganje.
- (2) Ispitno povjerenstvo koje se sastoji od predsjednika i dva člana, imenuje dekan, na temelju prijedloga voditelja studija, u roku od 24 sata nakon primljenog zahtjeva te ujedno određuje vrijeme polaganja ispita. Ispit se mora zakazati u roku od 48 sati nakon donošenja odluke o imenovanju povjerenstva. Ako se radi o usmenom ispitu ispitno povjerenstvo će ponovno ispitati i ocijeniti studenta. Pismeni ispit ili dio ispita se ne ponavlja već će imenovano ispitno povjerenstvo ponovno ocijeniti isti pismeni test.
- (3) Ispitno povjerenstvo donosi odluku o ocjeni većinom glasova, a ocjena je konačna.
- (4) Ako student ne pristupi usmenom ispitu pred ispitnim povjerenstvom smatrat će se da je odustao od prigovora na ocjenu.
- (4) U rokove iz ovog članka ne računaju se neradni dani.

Članak 14.

- (1) Student koji nije zadovoljan prolaznom ocjenom na ispitu pri čemu se ne poziva na nepravilnosti u ispitivanju i ocjenjivanju, u roku od 48 sati nakon priopćavanja ocjene, ima pravo usmeno ili pisanim podneskom zatražiti ponovno polaganje ispita u sljedećem predviđenom ispitnom terminu.
- (2) U navedenom slučaju evidentira se da je „student odbio ocjenu“ što se smatra iskorištavanjem jednog od raspoloživih pokušaja polaganja ispita.
- (3) Na ponovljenom ispitu vrednuje se isključivo znanje prikazano u tom ispitnom terminu, a student može biti ocijenjen nižom ocjenom ili neprolaznom ocjenom.

Članak 15.

- (1) Student nije položio ispit ako:
 - nije ostvario minimalnu razinu ishoda učenja propisanih silabom kolegija;
 - odustane od već započetog ispita ili napusti prostoriju u kojoj se održava pismeni ispit ili pisani dio ispita;
 - nakon pismenog dijela ispita ne pristupi usmenom dijelu ispita,
 - ne pristupi pisanom i usmenom dijelu ispita, a nije ga na vrijeme odjavio,

- radi nedoličnog ponašanja, ometanja drugih studenata ili korištenja nedopuštenih pomagala bude udaljen s ispita;
 - ne prihvati ocjenu postignutu na ispitu.
- (2) O održanim ispitima vodi se službena evidencija putem ISVU sustava.

UVJETI ZA UPIS U VIŠU GODINU STUDIJA

Članak 16.

- (1) U višoj godini studija student može upisati samo one kolegije za koje je stekao preduvjete predviđene studijskim programom i izvedbenim planom nastave.
- (2) Student stječe pravo upisa u višu godinu nakon podmirenja svih nastavnih i financijskih obveza prema Fakultetu.
- (3) Student koji nije položio sve obveze iz kolegija upisanih u akademskoj godini mora u sljedećoj akademskoj godini ponovno upisati te kolegije.
- (4) Student, u pravilu, svake godine upisuje do 60 ECTS-a, te plaća iznos pune školarine.
- (5) Student koji je u akademskoj godini stekao 60 ili više ECTS-a, u sljedećoj akademskoj godini može iznimno upisati do 80 ECTS-a.
- (6) Prilikom upisa završne godine studija student može upisati dodatnih 20 ECTS-a, ali ne više od 80 ECTS-a.
- (7) Studenti koji su ostvarili pravo upisa na sveučilišni prijediplomski studij Psychology bez obveze plaćanja školarine, navedeno pravo zadržavaju pri upisu u višu godinu studija pod uvjetom da u prethodnoj godini studija ostvare 60 ECTS-a i minimalni prosjek ocjena 4.0.

ZAVRŠNI I DIPLOMSKI RAD

Članak 17.

- (1) Student sveučilišnog prijediplomskog studija Psychology studij završava obranom završnog, a student sveučilišnog diplomskog studija Psychology obranom diplomskog rada na engleskom jeziku. Završni odnosno diplomski rad predstavlja samostalan istraživački ili pregledni rad, izrađen u polju psihologije, sukladno načelima znanstvene discipline i etike, kojim student dokazuje da je stekao znanstvena i stručna znanja potrebna za obavljanje poslova sveučilišnog prvostupnika, odnosno sveučilišnog magistra psihologije.
- (2) Mentor i eventualno imenovani komentor su dužni pomoći studentu pri izboru teme završnog odnosno diplomskog rada, literature, strukture rada te pružiti drugu stručnu pomoć i vođenje u procesu samostalne izrade rada.
- (3) Obranu završnog i diplomskog rada je moguće prijaviti nakon svih izvršenih obveza propisanih studijskim programom i prihvaćenim pisanim završnim ili diplomskim radom od strane mentora.
- (4) Ostala pitanja vezana uz izradu i obranu završnog i diplomskog rada regulirana su odredbama Pravilnika o završnom i diplomskom radu Fakulteta koje se na odgovarajući način primjenjuju na studente studija psihologije.
- (5) Rad mentora i komentora završnog i diplomskog rada studenti vrednuju anonimnim putem po završetku studija.

PRESTANAK STATUSA STUDENTA

Članak 18.

Status studenta studija psihologije prestaje:

- završetkom studija;
- ispisom sa studija;
- isključenjem sa studija na temelju stegovne odluke nadležnog tijela Fakulteta;

- ako student ne završi studij u roku koji je dvostruko dulji od trajanja upisanog studija.

EVIDENCIJA I ZBIRKE PODATAKA

Članak 19.

(1) Fakultet, kroz dokumentarno gradivo u elektroničkom ili fizičkom obliku, vodi sljedeće evidencije i zbirke podataka:

- evidenciju prijavljenih za razredbeni postupak koja uključuje i rezultate tog postupka;
- evidenciju podataka upisanih studenata;
- osobni karton studenata (studentski dosje);
- evidenciju o ispitima i drugim studijskim obvezama;
- evidenciju provedenih mobilnosti;
- evidenciju izdanih isprava o završetku studija te stečenih akademskih naziva;
- druge evidencije propisane zakonom, podzakonskim aktima ili općim aktima Fakulteta ili Sveučilišta u Splitu.

(2) Za potrebe subvencioniranja studentskog standarda Fakultet je obvezan voditi evidenciju korisnika i razine prava subvencioniranih troškova.

(3) Podaci koje Fakultet prikuplja temeljem evidencija iz stavka 1. i 2. ovog članka obrađuju se vodeći računa o njihovoj zaštiti u skladu s odgovarajućim nacionalnim i međunarodnim propisima te odredbama Pravilnika o obradi i zaštiti osobnih podataka Fakulteta i Politikom zaštite osobnih podataka na Fakultetu.

NASTAVNICI

Članak 20.

(1) Nositelji kolegija na studijima psihologije pored zaposlenika Fakulteta mogu biti tuzemni i inozemni sveučilišni nastavnici. Asistenti i viši asistenti sudjeluju u realizaciji svih oblika nastave, a pod uvjetom da nema drugih raspoloživih nastavnika na Fakultetu kompetentnih za izvođenje predavanja. Suradnici sa stečenim akademskim stupnjem doktora znanosti mogu sudjelovati i u izvedbi predavanja. Odabir svih nastavnika i suradnika treba osigurati izvedbu kvalitetne nastave, a kriteriji odabira zasnivaju se na nastavničkim kompetencijama i izvrsnosti u međunarodnom znanstveno-istraživačkom radu.

(2) Nositelje i izvoditelje kolegija na studijima psihologije, u sklopu donošenja Izvedbenog plana za svaku akademsku godinu, utvrđuje Fakultetsko vijeće.

(3) Obveze nastavnika koji realiziraju nastavu na studijima psihologije su:

- redovito održavanje izravnih oblika nastave sukladno Izvedbenom planu i utvrđenom rasporedu nastave;
- održavanje konzultacija u terminima određenima na početku akademske godine i oglašenima na službenim mrežnim stranicama Fakulteta;
- evidentiranje i dostava ovjerene evidencije održane nastave na propisani način, nakon završetka turnusa, odnosno najkasnije nakon završetka semestra u kojem je realizirana nastava;
- ostvarivanje suradnje s vanjskim suradnicima i nastavnicima angažiranim na pojedinom predmetu u svrhu kvalitetne realizacije nastave;
- redovita suradnja s voditeljem studija s ciljem unaprjeđenja kvalitete studija i razvoja studija.

Članak 21.

(1) Uvjeti pod kojima se ostvaruje pravo na naknadu za realizaciju nastave, visina bruto satnice i način obračuna naknade zaposlenika Fakulteta kao i nastavnika i vanjskih suradnika koji sudjeluju u realizaciji nastave studija psihologije, utvrđuju se sukladno općim aktima Fakulteta

te posebnim odlukama koje za svaku akademsku godinu, na prijedlog Odsjeka za psihologiju, donosi Fakultetsko vijeće.

UPRAVLJANJE KVALITETOM

UNIVERSITY OF SPLIT
FACULTY OF HUMANITIES AND SOCIAL SCIENCES

**REGULATIONS FOR THE UNIVERSITY UNDERGRADUATE AND GRADUATE
STUDY PROGRAM IN PSYCHOLOGY**

Split, July 2024

Pursuant to Article 19, paragraph 3 of the Higher Education and Scientific Activity Act (Official Gazette 119/22) and Articles 54, 120, and 121 of the Statute of the Faculty of Humanities and Social Sciences in Split (consolidated text, October 2023), at the 10th regular session of the Faculty Council for the academic year 2023/2024, held on 17 July 2024, the Faculty Council adopted the following:

REGULATIONS FOR THE UNIVERSITY UNDERGRADUATE AND GRADUATE STUDY PROGRAM IN PSYCHOLOGY

GENERAL PROVISIONS

Article 1

(1) These Regulations for the University Undergraduate and Graduate Study Programme in Psychology (hereinafter referred to as "the Regulations") regulate the organization, specific rules of study, implementation of the teaching process, and the rights and obligations of teachers, associates, and students involved in the university undergraduate study programme in Psychology and the university graduate study programme in Psychology (hereinafter referred to as "Psychology Study Programme") at the Faculty of Humanities and Social Sciences in Split.

(2) General rules for teaching, implementing the study programme, managing the quality of teaching, and other related matters are prescribed by the Statute of the Faculty of Humanities and Social Sciences in Split and the Regulations for Studies and the System of Studying at the University of Split.

Article 2

Terms used in these Regulations, such as "dean," "student," "bachelor," "master," "mentor," "member," etc., shall not be interpreted as grounds for gender discrimination or privilege.

Article 3

(1) To support internationalization as one of its strategic goals, the Faculty of Humanities and Social Sciences in Split (hereinafter referred to as "the Faculty") organizes and conducts university studies in English that prepare students for scientific, professional, and research activities in the field of psychology.

(2) The university undergraduate study programme in Psychology lasts three academic years. Upon completion, students acquire at least 180 ECTS credits and the academic title of **Bachelor of Psychology (baccalaureus)** (abbreviated as **univ. bacc. psych.**).

(3) The university graduate study programme in Psychology lasts two academic years. Upon completion, students obtain at least 120 ECTS credits and the academic title of **University Master of Psychology** (abbreviated as **univ. mag. psych.**).

(4) The Psychology Study Programmes are organized as self-financing studies with classes taught in English according to an adopted study program and curriculum.

(5) The Department of Psychology, as the primary organizational unit of the Faculty, is responsible for implementing the Psychology Study Programmes. In addition to faculty teachers and associates from the University of Split, guest teachers and associates from respected national and foreign universities and institutions participate in their implementation.

MANAGEMENT OF THE PSYCHOLOGY STUDY PROGRAMME

Article 4

- (1) The Psychology Studies are directly managed by the head of the study programme.
- (2) The head of the study programme performs their responsibilities in accordance with general acts of the Faculty, with assistance from the head of the Department of Psychology, who oversees performance within this organizational unit, along with administrative support from professional staff at the Faculty.
- (3) The head of the Psychology study programme has several obligations to ensure effective study implementation:
 - Propose rules for enrolment into Year I for each academic year to the Council of the Department of Psychology;
 - Organize and supervise the selection procedure for enrolment into Year I;
 - Organize classes according to applicable regulations throughout the academic year;
 - Propose appointments for student mentors to the Council;
 - Collaborate with departmental heads, administration, and professional services regarding organizational matters;
 - Inform students and teachers about issues related to study organization;
 - Participate in resolving student requests;
 - In collaboration with departmental heads and vice deans for teaching and student affairs, propose syllabi for each academic year;
 - Develop examination schedules;
 - Supervise all forms of teaching with assistance from the Faculty Teaching Committee;
 - Organize promotional activities for the study programme;
 - Collaborate with all teachers and external associates to ensure quality education;
 - Prepare annual reports on study implementation containing relevant financial parameters to be submitted to Faculty Administration.
- (4) The head of the study programme has a right to obtain necessary information about enrolled students from professional services within the Faculty.
- (5) The head is entitled to additional financial remuneration for organizational activities related to study implementation per regulations governing fund allocation at the Faculty.

SYLLABUS

Article 5

- (1) The syllabus (course schedule) for psychology studies for each academic year shall be adopted by the Faculty Council based on a proposal from the Department of Psychology, typically in July preceding that academic year. It will be published on the official website no later than one week before classes commence. Changes may be made during an academic year under justified circumstances.
- (2) Teaching in theoretical and methodological courses may occur on a rotating or continuous basis throughout each semester.
- (3) In exceptional circumstances that threaten safety or health or other justified reasons, all forms of teaching may temporarily transition to a virtual environment using available information technologies upon approval from the Senate of the University of Split. Such virtual implementation is considered a substitute form rather than an online study format.

ENROLMENT

Article 6

(1) Enrolment into Year I of the Psychology Study Programme occurs based on a call for enrolment published by both the University and Faculty within established quotas.

(2) Croatian and foreign citizens may enrol in the university undergraduate study programme in Psychology if they have completed secondary education and passed a final examination (state matura examination). This includes applicants who completed secondary education in Croatia before 2010 or those from educational systems without a state matura examination (total previous education must be at least 12 years), provided they possess good English language proficiency and achieve appropriate results on entrance examinations.

(3) Croatian and foreign citizens who have completed a university undergraduate programme in psychology may enrol in the university graduate study programme if they demonstrate good English proficiency and achieve satisfactory results during selection procedures.

(4) Applicants who are not native English speakers or have not completed secondary or higher education within an English-speaking system must provide proof of English language competency at B2 level through certificates issued by recognized institutions or verified international examinations (Cambridge, TOEFL, IELTS, PTE Academic).

(5) Information regarding selection procedures for enrolment will be included within calls for enrolment along with additional notices published on the Faculty's website.

(6) Should applicants meeting enrolment requirements exceed available places (quota), priority will be given based on results achieved during entrance examinations.

STUDENT STATUS

Article 7

(1) Student status is obtained by enrolling in a Psychology Study Programme.

(2) Full-time students follow a full-time schedule based on their respective study programs while part-time students follow either a full or adjusted hourly schedule.

(3) Students are permitted to repeat each year of study no more than once.

(4) A student retains their status throughout their prescribed duration of study or up to twice that duration regardless of their studying status; dormant periods do not count towards this duration.

Extended illness lasting beyond three months (prolonged absence);

Other justified cases contingent upon ongoing circumstances justifying suspension.

(5) Decisions regarding suspension rights must follow applications submitted through Faculty registry offices accompanied by documentation validating justification claims proposed by heads overseeing respective programs.

(6) Approved suspensions commence at beginning academic year corresponding with application submission timeframe which must occur within fifteen days following awareness regarding circumstances warranting suspension until conclusion thereof.

(7) Students' deadlines completing studies extend proportionately relative duration suspending obligations incurred during approved periods.

STUDENT MENTOR

Article 9

(1) At the beginning of the first semester each student receives appointment mentor designated among higher-year students enrolled within psychology program (hereinafter referred "student mentor") determined via Council Department's oversight.

(2) Responsibilities assigned student mentors include:

Introducing new students organizational structures alongside relevant faculty services/code ethics essential navigating academic environment effectively while understanding mentorship roles' significance therein;

Keeping mentees informed about ongoing developments impacting teaching/student activities encompassing rights/responsibilities throughout tenure (providing information about their rights and obligations during their studies, about the study program and its possible changes, about available scholarships, etc.);

Engaging discussions addressing potential challenges faced fulfilling academic commitments while providing guidance overcoming obstacles encountered respecting individual capabilities/preferences aimed enhancing overall efficiency/successful completion studies (including assistance selecting sources/learning methodologies/elective courses).

EXAMINATIONS

Article 10

(1) Achievement levels concerning learning outcomes may undergo assessment during class sessions via tests/essays etc., culminating final grades determined examinations aligned description course evaluation protocols established therein.

(2) Student performance evaluations articulated through grading system reflecting learning outcomes achieved ranging from outstanding success rated excellent grade (5)/letter grade A down through satisfactory success assessed sufficient grade (2)/letter grade D concluding insufficient performance graded insufficiently (1)/letter grade F.

(3) The examination from the same course can be taken a maximum of four times. If a student does not pass the examination after four attempts, they will be required to retake the course in order to be eligible for further attempts.

(4) Course syllabi may stipulate that certain knowledge assessments will be evaluated on a descriptive, pass/fail basis.

(5) The instructor of record, or the teacher or associate specifically designated as responsible for assessment within a course, retains the right to examine and assess student knowledge through methods consistent with the course syllabus and academic regulations.

(6) Instructors of record, teachers, or associates who conduct examinations are responsible for clearly explaining and publicly announcing the examination procedures and assessment criteria to students enrolled in the course.

(7) The cumulative grade point average shall be calculated as the weighted average of grades from all courses, including the final thesis or examination, with weights corresponding to the European Credit Transfer and Accumulation System (ECTS) credits assigned to each course. The final result shall be rounded to two decimal places.

Article 11

- (1) Your exam will be administered by the instructor listed in the course syllabus or by instructors specifically approved by the Faculty Council to conduct exams in that course.
- (2) If an examiner is a close blood relative or spouse of a student taking the exam (parent, sibling, child, or spouse), they must not be the examiner for that student.

Article 12

- (1) Exams are generally open to observation. You have the right to review your graded written work within five days of the results being published.
- (2) Exams can be given in written form only, oral form only, or both written and oral forms.
- (3) If your exam has both written and oral parts, you must pass the written part before you can take the oral part.
- (4) The written and oral parts of the exam are considered a single assessment, and you will receive one combined grade for both.

Article 13

- (1) If a student believes there were irregularities in how their examination was conducted or graded and is not satisfied with the grade received, the student may submit a formal written appeal to the Dean within 24 hours of receiving notification of the grade. This appeal must clearly explain the reasons for the student's concern and must be submitted through official channels (e.g., the clerk's office). In the appeal, the student may formally request a re-evaluation of the examination.
- (2) Upon receiving the student's appeal, the Dean will appoint an examination committee, consisting of a chairperson and two members nominated by the Head of Studies, within 24 hours. This committee will then schedule a re-examination within 48 hours of their appointment. If the original examination included an oral component, the committee will re-examine the student orally. If a written component was included in the original examination, the committee will review the student's original written test; the written test will not be re-administered.
- (3) The examination committee will determine the student's final grade by a majority vote. This determination is final and not subject to further appeal.
- (4) Should the student fail to attend the re-examination scheduled by the committee, it will be assumed that the student is withdrawing the appeal and accepting the original grade as assigned.
- (5) When calculating the deadlines specified in this Article, weekends and official holidays will not be counted.

Article 14

- (1) A student who is not satisfied with a passing grade achieved on an examination, and without alleging any irregularities in the examination or assessment process, retains the right to request, either orally or in writing, to retake the examination during the next scheduled examination period. This request must be submitted within 48 hours of receiving notification of the grade.
- (2) In such cases, it shall be officially recorded that the "student declined the grade." This declination will be considered as the student having utilized one of their permitted attempts to pass the examination.

(3) During the subsequent examination, only the student's knowledge demonstrated during that specific examination period will be evaluated. The student may receive a lower grade, or a failing grade, as a result of this subsequent evaluation.

Article 15

(1) A student will be deemed to have failed an examination under any of the following conditions:

The student has not achieved the minimum learning outcomes as specified in the course syllabus.

The student withdraws from an examination that has already commenced or leaves the designated examination room while a written examination, or the written portion of an examination, is in progress.

If an examination has both written and oral components, the student fails to participate in the oral portion after completing the written portion.

The student fails to participate in both the written and oral portions of the examination and fails to formally withdraw from the examination in a timely manner.

The student is removed from the examination due to misconduct, including but not limited to interfering with other students or utilizing unauthorized aids.

The student declines to accept the passing grade achieved on the examination.

(2) Official records of all examinations conducted will be maintained through the Integrated Student Information System (ISVU).

REQUIREMENTS FOR ENROLLMENT IN A HIGHER YEAR OF STUDY

Article 16

(1) In the higher year of study, the student may enrol only those courses for which they have acquired the prerequisites specified in the study program and syllabus.

(2) The student acquires the right to enroll in a higher year of study only after having fulfilled all academic and financial obligations to the Faculty.

(3) A student who has not successfully completed all enrolled courses from the current academic year must re-enroll in those courses during the subsequent academic year.

(4) As a standard, the student will enroll in courses totaling up to 60 European Credit Transfer and Accumulation System (ECTS) credits per academic year and will be assessed the full tuition fee amount.

(5) A student who has successfully acquired 60 or more ECTS credits during the academic year may be granted permission to enroll in courses totaling up to a maximum of 80 ECTS credits in the following academic year.

(6) When enrolling in the final year of study, the student may enroll in additional courses totaling up to a maximum of 20 ECTS credits, with the overall credit load not exceeding 80 ECTS credits.

(7) Students who have earned the right to enroll in the university undergraduate study program in Psychology without the obligation to pay tuition fees will retain this right when enrolling in a higher year of study, provided that they achieve a minimum of 60 ECTS credits and maintain a minimum grade point average of 4.0 in the preceding year of study.

FINAL AND GRADUATE THESIS

Article 17

(1) Students enrolled in the university undergraduate study program in Psychology shall complete their studies by defending a final thesis. Students enrolled in the university graduate study program in Psychology shall complete their studies by defending a graduate thesis in English. The final or graduate thesis shall be an independent research paper or review, prepared within the field of psychology in accordance with established principles of scientific discipline and ethics. Through the thesis, the student shall demonstrate the acquisition of scientific and professional knowledge necessary to perform the duties of a university bachelor or master of psychology.

(2) The thesis advisor, and any appointed commentator, shall provide assistance to the student in selecting a thesis topic and relevant literature, structuring the paper, and offering other professional guidance and support throughout the thesis preparation process.

(3) Registration for the defense of the final or graduate thesis is permissible only after the student has fulfilled all academic requirements prescribed by the study program and the written thesis has been reviewed and approved by the thesis advisor.

(4) Other matters pertaining to the preparation and defense of the final and graduate thesis are governed by the provisions outlined in the Regulations on Final and Graduate Theses at the Faculty, which shall apply, *mutatis mutandis*, to students enrolled in the Psychology program.

(5) Upon completion of their studies, students will be given the opportunity to evaluate the work of their thesis advisors and commentators anonymously.

TERMINATION OF STUDENT STATUS

Article 18

The status of a psychology student shall terminate under the following circumstances:

Upon successful completion of the study program.

Upon voluntary withdrawal from the study program.

Upon expulsion from the study program pursuant to a disciplinary decision rendered by the competent body of the Faculty.

If the student fails to complete the study program within a period of time that is twice the prescribed duration of the enrolled study program.

RECORDS AND DATABASES

Article 19

(1) The Faculty shall maintain the following records and databases, in electronic or physical form:

Records of applicants for the entrance examination, including the examination results.

Records of data pertaining to enrolled students.

Individual student files.

Records of examinations and other academic requirements fulfilled.

Records of implemented student mobility programs.

Records of issued documents certifying completion of studies and academic titles conferred.

Other records as mandated by applicable law, Faculty by-laws, or general acts of the Faculty or the University of Split.

(2) For the purpose of administering student financial aid, the Faculty is required to maintain records of beneficiaries and the level of subsidized costs.

(3) All data collected by the Faculty pursuant to the records referenced in paragraphs 1 and 2 of this Article shall be processed with due regard for data protection in accordance with relevant national and international regulations, the provisions of the Regulations on the Processing and Protection of Personal Data of the Faculty, and the Personal Data Protection Policy of the Faculty.

TEACHERS

Article 20

(1) Course leaders in the Psychology program may include Faculty employees, as well as Croatian and foreign university-level instructors. Teaching and Research Assistants, and Senior Teaching and Research Assistants, may participate in all forms of instruction, provided there are no other qualified instructors available within the Faculty. Associates holding a doctoral degree (Ph.D.) may also participate in the delivery of lectures. The selection of all instructors and associates should ensure the provision of high-quality instruction, with selection criteria based on teaching competencies and excellence in international scientific research.

(2) The Faculty Council shall determine the course leaders and lecturers for the Psychology program as part of the adoption of the Syllabus for each academic year.

(3) The obligations of teachers involved in the Psychology program include:

Regularly conducting direct forms of teaching in accordance with the Syllabus and the established class schedule.

Holding consultations at the times designated at the beginning of the academic year, with such times to be advertised on the official Faculty website.

Recording and submitting certified records of classes held in the prescribed manner, either following the conclusion of the course or, at the latest, following the conclusion of the semester in which the classes were conducted.

Establishing cooperative relationships with external associates and teachers engaged in a particular subject to ensure the delivery of high-quality teaching.

Maintaining regular communication with the Head of Studies to continuously improve the quality and development of the study program.

Article 21

(1) The terms and conditions governing the right to remuneration for teaching activities, the amount of gross hourly wages, and the method of calculating remuneration for Faculty employees, as well as teachers and external associates participating in the Psychology program, shall be determined in accordance with the general acts of the Faculty and specific decisions made by the Faculty Council for each academic year, based on the proposal of the Department of Psychology.

QUALITY ASSURANCE

The Faculty shall monitor and enhance the quality of each course and the study program as a whole and shall provide appropriate organizational and administrative support in

accordance with Faculty and University of Split policies and procedures governing the quality assurance system.

Article 22

Matters not explicitly addressed in these Regulations shall be governed by the Statute and other relevant general acts of the Faculty and the University of Split pertaining to student status and the study system.

FINAL PROVISIONS

Article 23

(1) The provisions of these Regulations concerning the duration of studies shall apply to all students enrolling in the first year of study under regular status commencing with the academic year 2024/2025.

(2) Any suspensions of student obligations granted under previously enacted general acts of the Faculty shall be honored and concluded in accordance with the terms of the general act under which the suspension was originally approved. The provisions of these Regulations pertaining to student suspensions shall take effect at the beginning of the academic year 2024/2025.

Article 24

These Regulations shall become operative on the eighth day following its publication on the Faculty's official website.
