

Summer School for the Promotion of Democratic Values

What?

- Facilitating a dialogue regarding European values and universal humanistic values, emphasizing their significance in the contemporary world,
- Organizing meetings with individuals who have witnessed democratic transformations and researchers affiliated with institutions that specialize in studying this subject within a scientific framework,
- Conducting workshops focused on film and photographic techniques to enhance participants' skills in these areas.
- Consequently, an exhibition will showcase a collection of photographs and visual art forms captured and crafted by the participants throughout or following the workshops.

Who?

- Students, doctoral students, and academic/non-academic staff from Ukraine and SEA-EU alliance,
- 13 guests from the Odesa I. I. Mechnykov National University,
- 8 guests from SEA-EU partner universities,
- Workshops conducted by professionals.
