The International Workshop of Young Researchers in Social Sciences and Humanities explores the social dimensions of food, culture, and leisure in Europe **from 1799 to 2000**. The workshop aims to foster interdisciplinary dialogue and strengthen academic collaboration across Europe.

PhD students are invited to submit proposals addressing historical, social, and cultural topics. Contributions employing ethnological or digital humanities approaches are also welcome.

Presentations will last 15 minutes, followed by a discussion. Participants will be required to submit their presentation texts (max.4 pages) before the conference.

Submission of abstracts (500 words):
by 31 October 2026

Please send your abstracts to:
phdconference.sav@gmail.com
